Radiant's 3D LED Flex IP66 System provides wall-graze lighting around the columns at the centre of The Lana, Dorchester Collection, Dubai. The Foster + Partners designed building is the latest addition to the Dorchester group's collection of luxury residencies and hotels. Radiant's high-power, 3D-flexible system is installed around the circumference of each of the 36 meter high columns. With high-power LEDs and narrow beam lenses, the 3D LED Flex System delivers up to 7,000 Lumens per mtr with wider spaced modules. Anti-glare snoots ensure visual comfort.
